EXCELLENCE IN EDUCATION, GROWTH IN EVERY STEP

Hello to all prospective students and parents! At P. N. Institute, we prioritize both academic excellence and personal development.

Our faculty is dedicated to supporting and inspiring our students, equipping them with the skills required to excel in a dynamic world. Come, be a part of our inclusive community at P. N. Institute, where each individual's growth and success matter.

At P. N. Institute, our mission is to empower individuals through quality education, strong values, and innovative learning. We believe that every student holds immense potential, and with the right guidance, encouragement, and opportunities, they can achieve greatness in their chosen paths.

Our dedicated faculty, state-of-the-art facilities, and student-centered approach ensure that each learner receives the attention and resources they need to thrive. We are committed not only to academic excellence but also to the holistic development of every individual — nurturing confidence, leadership, and integrity.

As we continue to grow and evolve, our focus remains on building a vibrant community of learners who are prepared to meet the challenges of a dynamic world with confidence and competence.

Thank you for being a part of this journey. Together, let's shape a brighter, stronger future.

MESSAGE FROM THE DIRECTOR

In my view as an educator, every parent deserves to expect four essential things from a Institute.

- The best teachers
- Regular tests and evaluations
- Value-added material
- Personalized care for weak topics

I am committed to provide these fundamental and high quality services to every student enrolled here.

Extra lectures, Zero Extra Fees
Our Commitment to academic excellence

HEMANGI GAJJAR
PRINCIPAL

IGNITING CURIOSITY, EMPOWERING FUTURES

Welcome to P. N. Institute — an institution founded on the pillars of knowledge, discipline, and a commitment to excellence.

As the Principal, I feel honored to be part of a vibrant learning community where students are encouraged to grow not just academically, but also as responsible, thoughtful, and confident individuals. At P. N. Institute, we believe that education is not just about acquiring knowledge, but about shaping character, building curiosity, and nurturing a lifelong passion for learning.

Our dedicated team of educators strives to create a supportive and intellectually stimulating environment that challenges students to reach their fullest potential. We are proud to offer a curriculum that is both rigorous and relevant, preparing our learners to thrive in a rapidly changing world.

We also place a strong emphasis on values, discipline, and personal integrity — qualities that we believe are essential for true success in life.

As we continue to innovate and grow, our goal remains clear: to empower our students with the skills, confidence, and vision to become leaders of tomorrow.

Thank you for placing your trust in us. Let's continue to work together to make P. N. Institute a beacon of excellence and inspiration.

MESSAGE FROM THE PRINCIPAL

We understand what parents expect from a Institute:

- Academic excellence
- Nurturing discipline & ethics
- Transparent communication
- Preparing students for competitive exams

We ensure holistic development so that every child grows not only in knowledge but also in character.

What is PACE?

PACE (P. N. INSTITUTE Admission cum Entrance Test) is one of the biggest scholarship cum admission tests in the state that proposes students studying in Class **5** to **11** with a chance to earn up to **100% scholarship** and cash awards to procure the right path contributing to their **GOALS**.

With PACE, we aspire to look for and foster the students possessing genius and help them to work towards their ambition. PACE brings considerable aid to students who are reluctant from education due to their financial condition. Last year's PACE motivated us to hold **Bigger and Better Rewards** for the one's in need and deed.

P N Institute (Aditi Bansal) was felicitated for Excellence in JEE / NEET and Commerce Education

TIMES Gujarat Icons 2025

P. N. Institute Honoured for Contributions to JEE/NEET and Commerce Coaching

It is a proud moment for Gujarat's education sector, P. N. Institute has been awarded the prestigious "Excellence in JEE/NEET and Commerce Education" by Times Gujarat Icons 2025.

The honour was received by the Managing Director, Aditi Bansal, who has been the driving force behind the phenomenal growth of P. N. Institute. P. N. Institute has achieved remarkable reputation as one of Gujarat's most result-oriented coaching institutions for JEE (Main & Advanced) and NEET aspirants.

The Institute's dedication to academic quality, structured learning, and individual mentoring has enabled hundreds of students to secure admissions in some of India's IITs, NITs, and medical colleges. The faculty team at P. N. Institute comprises highly qualified and experienced educators, many of whom are IIT and NIT alumni, dedicated to nurturing students with conceptual clarity and confidence. Beyond science coaching,

P. N. Institute has also made a remarkable impact in Commerce education. The Institute equips commerce students with both theoretical depth and practical insight, preparing them to excel in academics and future careers. Speaking on this achievement, Aditi Bansal shared, "Receiving this award is a matter of great pride for the entire P. N. Institute family. It reflects our students' hard work, our teachers' dedication, and our shared mission to guide every learner towards top educational institutions in India." With its student-first approach, advanced teaching methodologies, and consistent results, P. N. Institute continues to redefine educational innovation in Gujarat — inspiring students to dream big and achieve greater success every year.

P. N. Institute has been honoured for its outstanding contribution to the field of education. This prestigious award reflects the Institute's consistent hard work, quality guidance, and dedication towards student success. With remarkable achievements in JEE, NEET, and Commerce coaching, the Institute has played a vital role in shaping the future of countless students. This recognition further strengthens the reputation of P. N. Institute and builds even greater trust among students and parents. P. N. Institute remains committed to providing top-quality education and continue to strive for excellence in every aspect.

Exploring Activities & Infrastructure

Discover an array of modern facilities that form the backbone of our institute's commitment to providing a comprehensive learning environment. Our specialized laboratories for Computer, Physics, Chemistry, and Biology are meticulously designed to facilitate practical experimentation and immersive learning. Equipped with cutting-edge tools and resources, these labs serve as the hub for students to delve deeper into scientific exploration, fostering a hands-on understanding of complex concepts.

Moreover, our smart classrooms stand at the forefront of technology integration. With projectors, interactive smart screens, and a conducive air-conditioned environment, these classrooms promote engaging and dynamic learning experiences, encouraging collaborative participation and visual learning aids.

Ensuring the safety and security of our students and the campus community is paramount. Our vigilant CCTV surveillance system contributes to a secure and monitored atmosphere. Additionally, our secure parking facilities provide convenience and safety for students' vehicles.

At our cafeteria students can grab a variety of refreshments and light meals, fostering social interactions and providing a brief respite during the day.
